Dear Chairwoman DeLauro & Ranking Minority Member Granger:

I am requesting \$350,000 in funding for the Town of Longboat Key, Florida, for a flooding mitigation project, in Fiscal Year 2022.

The entity to receive funding for this project is the Town of Longboat Key, Florida, located at 501 Bay Isles Road, Longboat Key, FL 34228.

I am submitting this Community Project Funding request on behalf of the Town of Longboat Key. The funding will enable the Town to elevate a roadway to mitigate against flooding that negatively impacts both first responder access and local resident access. The roadway is also adjacent to fringe mangrove forests and a bayou area directly connected to Sarasota Bay. Elevating the roadway is also intended to preclude harmful impacts to the forests and the Bay.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Vern Buchanan
Member of Congress
